Every person that raises \$50 receives a FREE tshirt!

**If 100 New Lifers raise \$50, we will meet our goal of \$5,000!**

*Thank you for your support of the precious children of New Dawn Orphanage!*

# NEW LIFE CHURCH 5K FUN WALK FOR ORPHANS

Nuevo Amanecer ("New Dawn") was started three years ago by a Christian social worker as an orphanage for children abandoned by their parents due to the great level of poverty in Mexico. What began as a haven for a handful of children whose parents had succumbed to poverty and addiction soon grew, as more children required help and care. At last count, the ministry is serving 37 children ranging from toddlers to teenagers.

Nuevo Amanecer makes its home in a borrowed house in Mexico, where more than three dozen children are cared for by one full-time social worker around the clock. The children currently have no means of transportation, and rely on another local ministry to bring groceries and supplies one time each week.

While conditions are not always ideal for the children of Nuevo Amanecer, their exposure to Jesus Christ, his love, and his constant provision is truly a "new dawn" in their lives.

It is the heart of New Life Church in Lathrop to partner with this ministry and support the care and growth of each of the precious children of Nuevo Amanecer. We begin our support with our 5K Fun Walk for Orphans, during which the family of New Life will walk a 5k in the hopes of raising \$5,000 to send to the orphanage, to be used to meet as many of their needs as possible, including their need for transportation.

Additionally, New Life Church will be sending a team of workers from our family to serve the orphanage in July. We will work to improve their home, encourage their staff, and love on the children there.

To those who offer pledges, donations, and prayers for the orphans of Nuevo Amanecer,  
*we thank you.*

Yours is truly a selfless and important gift.
